

Beach Authority

COMMUNIQUE

Sanitary measures to be followed on resumption of activities on public beaches

General Guidelines to be followed by Beach Traders / Lessees of Tuck shops

1. In the event traders/lessees of tuck shops have body temperature above 37.8C or displaying symptoms of the COVID 19, they shall not operate
2. Daily disinfection of tuck shops/structures/vehicles prior to start of operations
3. Wearing of face masks at all times
4. Provision of hand sanitiser to clients
5. Discourage touching of items put on sales by clients and these items to be immediately disinfected if touched by clients
6. Garbage and food waste to be properly dumped in closed bins and disposed of in an appropriate manner

Toilet Blocks on public beaches

Service providers to ensure

1. Frequently used facilities/amenities such as handles, handrails, switches, doorknobs to be disinfected regularly
2. To ensure the proper functioning of soap and disinfectant solution dispensers, disposable tissue dispensers, and other similar devices.
3. Defective units to be rapidly repaired and replaced
4. Regular pressure cleaning of toilet blocks.

Facilities and amenities on public beaches

Service providers to ensure

1. Regular cleaning of amenities such as picnic tables, bins, kiosks etc.
2. Regular emptying of bins and carting away of wastes
