

BEACH AUTHORITY

Cleaning and Embellishment Campaign 2020

A Cleaning and Embellishment Campaign was carried out on **14 September, 2020** at Von Moltke Public Beach in the context of the **World Clean-Up Day 2020** in collaboration with the District Council of Riviere Du Rempart, Tourism Authority and Ministry of Local Government.

The Cleaning and Embellishment campaign was carried out in presence of Mr Daniel Laurent, Chairman of the Beach Authority, Mr Sudeven Chengebroyen, General Manager of the Beach Authority, Mr Ellaya, Chairman of the District Council of Riviere Du Rempart.

Please note that the Field Services Unit/ Living Environment was responsible for the cleaning and maintenance of the Von Moltke public beach. The said beach has not been cleaned and maintained since 20 March, 2020 but the General Workers of the Beach Authority are doing the cleaning and carting away on and off.

During the event several endemic plants were planted along the coast line by all atakehloders present.

The contributions of stakeholders are listed hereunder:
