

BEACH AUTHORITY

La Cambuse public beach

CLEAN-UP MAURITIUS AND EMBELLISHMENT CAMPAIGN

INTRODUCTION

Mauritius, the island nation in the Indian Ocean, is well known all over the world for its idyllic beaches with beautiful natural landscapes. The lagoons with clear, warm, and blue turquoise colour water enveloping the island add up to its magnificence. Bordered with fine white sand, they promise matchless relaxing possibilities and are the incarnation of paradise to beach users.

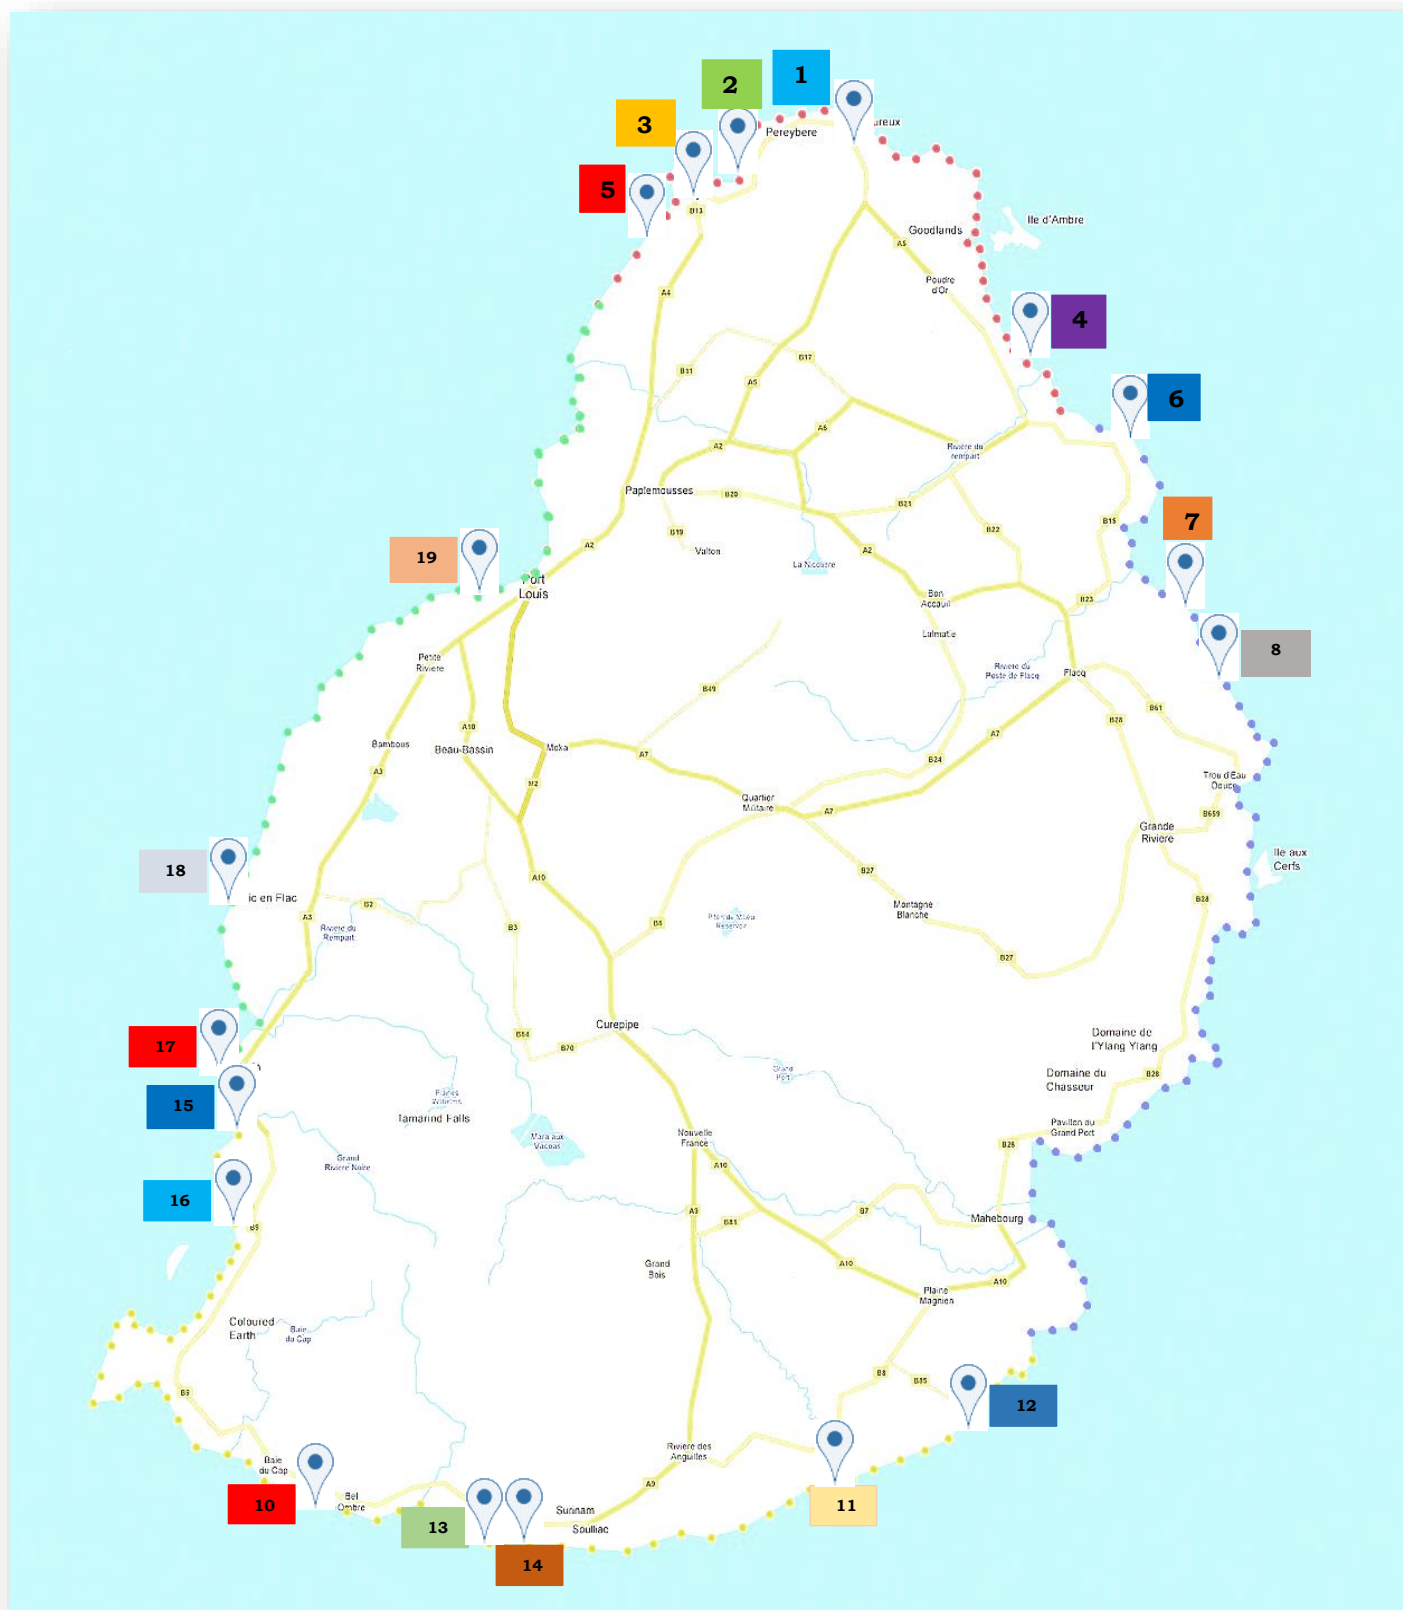

Our mission is to make it possible for the general public, including tourists, to fully enjoy all amenities and facilities made available to them on all public beaches. The Beach Authority has upheld its objectives and is consistent with its mandate to conserve and shield the environment of all public beaches.

A brief description of the activities carried out during the month of **July,2018**, including upgrading and embellishment of several public beaches are outlined below.

Participants:

1. Beach Authority
2. Rotaract Club of Rivière du Rempart
3. Eco Green Power Co.Ltd
4. Currimjee Foundation

Way Forward

The Authority envisages to carry out more activities and complete several ongoing projects regarding the conservation and protection of the environment of public beaches. It will also lay more emphasis on the regulation of activities on public beaches to enhance further the security and safety of beach users.
